

# Encounter Retreat Scholarship Application

If you would like to attend the Encounter Retreat, but finances are difficult right now, please fill out this Scholarship Application. We at Crossroads Church never want finances to be a hindrance to spiritual growth!

If possible, we ask that you pay as much as you can toward the registration fee, even if it is only \$30, because we have discovered that people who have some financial investment in the retreat are more likely to follow-through with attending. If you have questions or concerns please contact Kathleen at [kathleen.hopkins@crossroadsumc.org](mailto:kathleen.hopkins@crossroadsumc.org).

Thank you for your desire to grow in your relationship with God by attending Encounter retreat! It is a pleasure to serve you, and we look forward to seeing how God will bless you at Encounter!
