

Kids Challenge

Week 4

Family Devotional

Open up with prayer and ask the Holy Spirit to be present.

Read Scripture together: Acts 10

Observe the scripture and ask these questions:

How do you think Peter felt when he was invited to Cornelius' house?

What did Peter say to Cornelius about being a believer?

Do you think it's important to include all people when you think about who to share the gospel with? What does the Bible say about it?

Who can you talk to this week that might be different from you?

Pray as a family to find ways to Jesus to others this week.

Kids Challenge of the Week
