

Family Circle
2. Chosen Family
July 21-27, 2024

Connect with God and each other. (*1/3 of meeting*)

- Icebreaker: If you had to sing karaoke right now, what song would you choose?
- How has it been going with following and fishing?
 Following= taking steps of faith
 Fishing= sharing Jesus with others
- Praise God by taking turns completing the prayer “Thank you, God, for _____.” Then have someone close by asking God to open our hearts as we read His Word.

Discover what God is saying to you. (*1/3 of meeting*)

Read [Galatians 3:26-29](#)

- What was highlighted to you from this passage (a word, phrase, or idea)?
- Abraham’s family was chosen to be used by God to bless all people. What is meaningful to you about the idea of being a part of God’s chosen family?
- In what way have you experienced the joys and benefits of belonging to God’s family?
- Share the most challenging aspects of sharing life with *everyone* included in the chosen family of God.

Go do it! (*1/3 of meeting*)

- How can we as a group welcome and include those who are in a different season of life?
- What is God prompting you to do? Make an “I will” statement.
- **Pray for the empty chair.** God desires a bigger family! Place an empty chair in the circle and ask God to use us to fill it with someone that we invite.
